

Orbital Welding Closed Arc Weld Head CA-25 M2

Removable Fixture Series

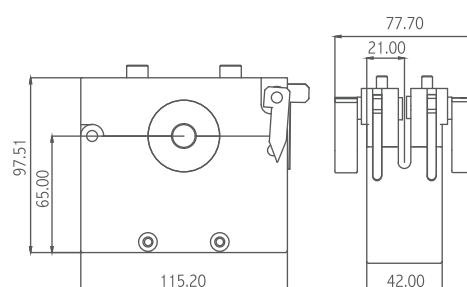

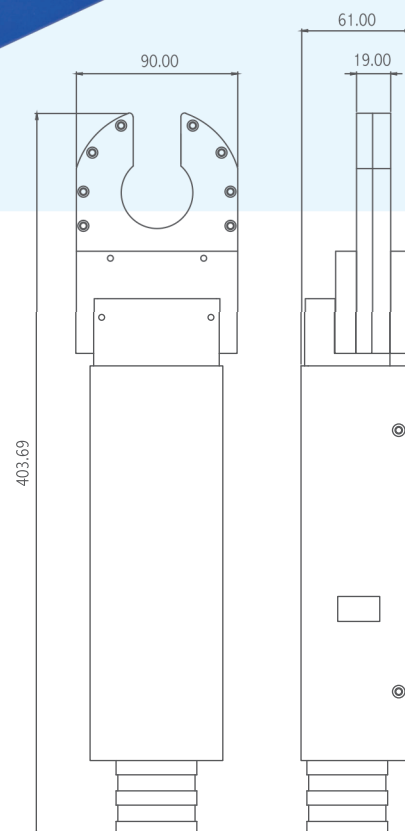

Features

- ◆ Ideal For Tube And Micro Fitting
- ◆ Removable Clamping Systems
- ◆ Compact Design to Permit Use in Situations Where Access is Limited
- ◆ Shielded-Gas Chamber to Prevent OD Discoloration
- ◆ Quick Change Collets Systems
- ◆ Welding on Actual Position
- ◆ Simple & Rugged Design
- ◆ DC Motor with Encoder

Technical Specifications

Description	Unit	CA-25
Diameter of Work Piece	mm	6 to 25.4
Speed Range	Rot / min	0.4 to 4
Power	Watts	25
Weight	Kg	3
Cable Length	Mtr	8

Orbital Welding Closed Arc Weld Head CA-25 CO

Centre Opening Series

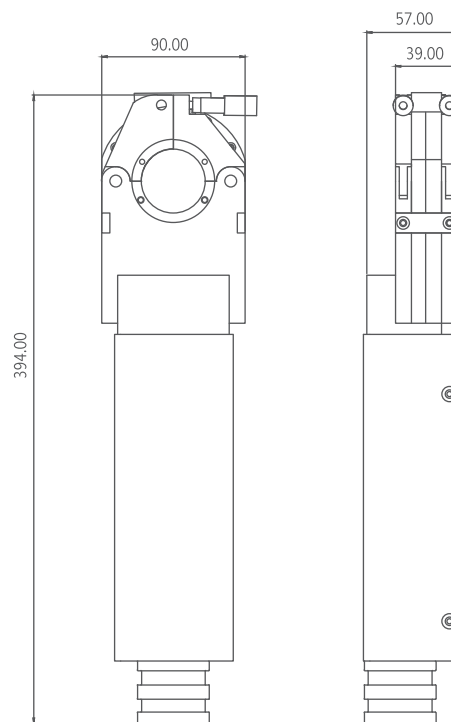

Features

- ◆ Ideal For Tight Spaces Specially U Bend Pipeing
- ◆ Centre Opening Clamping Systems
- ◆ Compact Design to Permit Use in Situations Where Access is Limited
- ◆ Shielded-Gas Chamber to Prevent OD Discoloration
- ◆ Quick Change Collets Systems
- ◆ Welding on Actual Position
- ◆ Simple & Rugged Design
- ◆ DC Motor with Encoder

Technical Specifications

Description	Unit	CA-25
Diameter of Work Piece	mm	6 to 25.4
Speed Range	Rot / min	0.4 to 4
Power	Watts	25
Weight	Kg	3
Cable Length	Mtr	8

Due to continous development, product specifications are subject to change.
